

Should you engage another supplier, be sure you're able to tick all the boxes below or you could be compromising your end product or incurring unforeseen additional costs.

- Design & Video Production**  
Our dedicated in-house design and video production team delivers creative that maximises your ROI.
- Australian Compliance**  
Razor is RCM compliant. Anything less can prove faulty or present a dangerous fire hazard.
- Artwork & Print Approval**  
Detailed print and artwork PDF's are supplied up to final approval for error-free printing.
- Screen Quality**  
Unlike many, our video screens engage the same highly regarded manufacturer as Samsung.
- Component Manufacturing**  
Automated motherboard production increases longevity, durability and operating efficiency.
- Print Quality**  
We utilise German made offset machines for world-leading accuracy and colour correctness.
- Production Times**  
Established supplier relationships means urgent projects can be moved forward in the queue.
- Pre-Delivery Inspection**  
Every single brochure is checked for accuracy, content and charge capacity prior to delivery.
- Delivery**  
Razor offers free delivery to one destination within Australia on all products with no hidden costs.
- Fulfilment**  
Razor utilises the services of AusPost for whatever fulfilment you may require.
